QUICK START GUIDE

We're Marathon Kids

READY, SET, RUN

The journey to completing a marathon begins with a commitment to run. Tracking miles over the course of several months, Marathon Kids makes it possible for any kid to run the equivalent of a marathon. Or two. Or three. Or four. Maybe more.

Sound crazy? More than two decades of experience tells us it's not.

Marathon Kids running clubs have proven effective — even transformational — for millions of kids, organizations, schools, and families. Kids of all levels and abilities run a lap at a time, a day at a time, and before they know it they've gone farther than they ever dreamed possible. And they keep on running.

Ready to get kids moving? Starting a running club is as easy as lacing up your shoes. Let's go!

SURPRISINGLY SIMPLE, TOTALLY FUN

Marathon Kids is for any child who wants (or needs) to move. Each Marathon Kid makes a commitment to run. They set goals. They track their progress. They challenge themselves. Marathon Kids runners are inspired to keep pace by earning special Nike rewards for every marathon they complete. Deep down, it's about much more than the prizes, though. Kids gain self-confidence. They proudly see themselves as athletes...and maybe for the first time.

RUNNING—IT'S SO SIMPLE, BUT IT CAN TRANSFORM A KID'S LIFE. IT CAN CHANGE YOURS, TOO!

By becoming a Marathon Kids coach, you'll launch kids on a life-changing journey to run four marathons. You might even join them. And, you'll all have fun the entire way. Getting kids active at a young age is game changing; the research has proven it. Our early years are crucial for creating a lifelong commitment to physical activity — and establishing the confidence, willpower, and emotional well-being that comes with it. We need passionate leaders. We need people who care about kids, improving their lives and enriching their community.

WE NEED YOU. The information in this Quick Start Guide will lead you through the process of starting your very own Marathon Kids running club. We're glad you're here — and the kids will be, too.
